

# Investmaster is now Dion Global Solutions

## Investmaster launches major rebrand following recent acquisition

**London, 21 February 2012.** Dion Global Solutions (Dion) (BSE: 526927) announces today that Investmaster, the leading provider of Wealth Management and Stockbroking software, has now been rebranded as Dion Global Solutions. The name change follows the successful acquisition by Dion in November 2011.

The Management and day-to-day operation of Investmaster remains unchanged and will now be a part of Dion.

**Joe Nash, Managing Director Europe & Global Head – M&A, Dion** commented, "This is an exciting time for Dion and shows our development as a global firm. Successful renaming of Investmaster is an important element for our growth strategy as it re-emphasizes our ambition to be a leading IT solutions partner for financial markets worldwide. With Investmaster now totally integrated with Dion identity, we have increased our product portfolio and further enriched our areas of expertise to include wealth management."

**Peter Little, CEO, Investmaster** said, "This rebrand reflects an important milestone for Investmaster and will ensure that we deliver a consistent message under Dion banner. We believe our products are some of the best solutions in the UK market today and by combining them under Dion's product portfolio and leveraging their strong global distribution network we have access to new markets and combined expertise to offer a wide range of solutions to existing and new clients."

Dion now provides a complete solution for new and existing customers across a wide range of financial services businesses covering portfolio management, trading, settlement, risk management, analytics, wealth management, treasury, messaging & workflow and research & information services. The scope of its solutions reinforces Dion's positioning as a leading provider of financial services software across the globe.
