

# Dion partners with Emerging Markets Information Service (EMIS) to publish research reports

**Emerging Markets Information Service (EMIS), a source for emerging markets information and a product of ISI Emerging Markets to distribute Dion's research reports**

**New Delhi, 22<sup>nd</sup> December, 2011:** Dion Global Solutions Limited (Dion) (BSE: 526927), announced today that it has partnered with Emerging Markets Information Service (EMIS), a product of ISI Emerging Markets (A Euromoney Institutional Investor Company), the leader in hard-to-get information on over 100 emerging markets, to publish and distribute Dion's research reports. Dion's reports will be hosted and distributed through Emerging Markets Information Service (EMIS) available through [www.securities.com](http://www.securities.com). Dion's fundamental database of listed Indian companies is already available on EMIS. Now, through this new association, Dion's research reports will be potentially accessed by a global user base of more than 40,000, across the spectrum of financial, government and academic institutions.

Emerging Markets Information Service (EMIS) delivers deep, rich company and industry information, alongside the relevant news, research and analytics that allow professionals to make profitable decisions faster. EMIS tops more than 1.7 million Emerging Market Listed & Private Companies apart from M&As, forecasts and research, proprietary credit risk scoring tools, multi-source news and industry analytics.

Dion is among leading providers of innovative software products and research & information services to financial markets worldwide. Dion has been steadily ramping its research capabilities on emerging markets and this partnership helps Dion in reaching out to a wider audience base worldwide.

**Anurag Garg, Head – Research & Information Services, Dion Global Solutions** said, "This is an important partnership for us as a well-known entity providing information on emerging markets endorses our research capabilities. We are proud to be associated with Emerging Markets Information Service (EMIS) and look forward to a long term & fruitful relationship."

Commenting on the partnership, **Mr. Prasanna Rane, Regional Product Manger – ASEAN-Pacific & India, EMIS** said; "Dion Global Solution's research capabilities on the Indian market are very insightful & strategically fits well with our offerings comprising of both local and global sources. We recommend their reports to our subscribers that include top investment banks, corporations, law firms, consultants, investment and insurance companies, universities and libraries, and multilateral organizations."
